

# European 1 in 4 Base Pattern

## Step 1 Start

- ◆ Place an open link through four closed links.
- ◆ Close the open link.

## Step 2 Layout

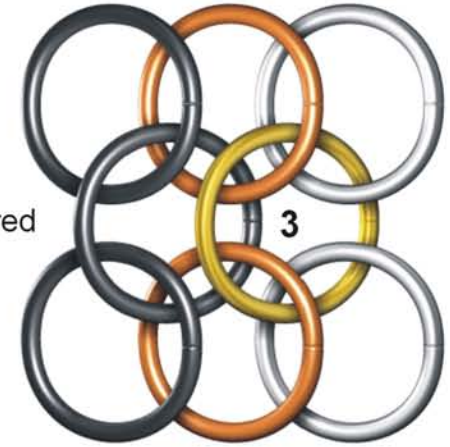

- ◆ Lay the first five links out as in the illustration.

- ◆ Place an open link through 2 closed links.

- ◆ Place the open link through the 2 column edge links coloured copper in the illustration.
- ◆ Close the open link.
- ◆ Repeat this step to make the pattern wider.

## Step 3 Adding to the Column Edge

## Step 4 Adding to the Row Edge Start

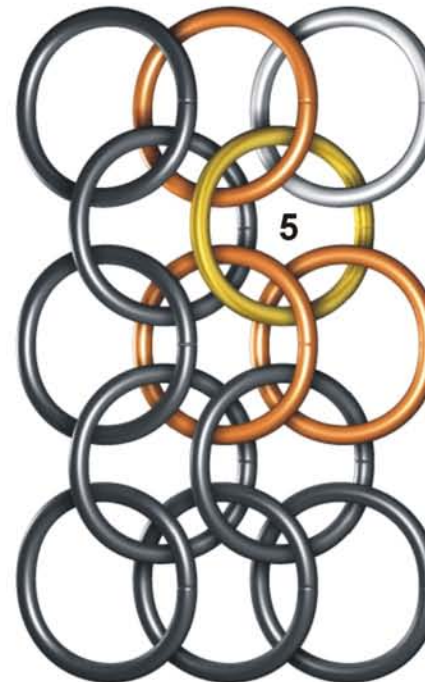

- ◆ Place an open link through 2 closed links.

- ◆ Place the open link through the 2 row edge links coloured copper in the illustration.
- ◆ Close the open link.
- ◆ Repeat this step each time you start adding a row.

## Step 5 Adding to the Row Edge

- ◆ Place an open link through a closed link.

- ◆ Place the open link through the 3 links coloured copper in the illustration.
- ◆ Close the open link.
- ◆ Repeat this step to continue a new row making the pattern longer.
